NEW YEAR – NEW NEWSLETTER

The EOEA Board of Directors has decided that the time has come for the *Viewpoint* to go digital.

All future editions will be emailed to Local Presidents for printing and distribution.

Our first issue for this year is late due to the work we had to do to defeat Issue 2.

If you would like to receive a copy of the newsletter directly, just send us your home email address and we will see that a copy is sent to you. We prefer not to use school emails.

The newsletter will also be available on our web site. We hope this new distribution method will provide information to all of our members in a timely fashion.

LOCALS AND MEMBERS EARN AWARDS

Tri-Valley EA once again received the OEA Fiscal Fitness Award. Renée Spiker has served as Tri-Valley treasurer for many years and deserves most of the credit for this award. Renée decided to pass the baton to a new treasurer, Aron Dotson, for 2011-12.

Along with Renée several other local treasurers were named Outstanding Local Treasurers by OEA. They are: Corey Powell - Barnesville, Gordon Arney - Ridgewood, Catherine Bush - Steubenville, and Martha Mitchell - Zanesville.

PRESIDENTS INVITED TO BOARD OF DIRECTORS MEETING

All local presidents were invited to attend the October meeting of the EOEA Board of Directors. It was the first time an invitation of this sort had been extended. Turnout was lighter than expected, but we hope to try it again next year.

Locals represented at the meeting included: Switzerland of Ohio – Steve Casto, Noble Local ESP – Debbie Korte, Noble Local – Jill Parks, Harrison Hills – Roxane Starkey, and Maysville – Adam Wickham.
